

Educational Impact

Big Brothers Big Sisters is making a huge difference in your community! Thanks to the hard work and dedication of our many volunteers, staff members, and board members, the youth of the Treasure Valley have a lot to get excited about.

Parents, youth, and volunteers reported the following changes in Little's who were matched in our community based program:

According to Parents

- 88% of the youth improved in self-confidence
- 75% of the youth improved in the ability to express themselves
- 73% of the youth improved in their sense of the future
- 71% of the youth improved in making decisions
- 68% of the youth reported improvement in wanting to learn new things
- 68% of the youth reported improvement in friendships

- 69% of the youth improved relationships with other adults
- 68% of the youth improved in trust
