Special Events Planning Committees

Not quite ready to be a Big? Join one of our planning committees for our annual fundraising events. These committee will offer various ways to get involved and help our agency successfully raise funds to increase the number of children we serve. Have fun, meet new people, add new experience to your resume, and make a difference in your community! Contact Brandon Payne, Development Coordinator, for more information at 377-2552 or brandon.payne@bbbs.org.
