

BECOME A LUNCH BUDDY!

MAKE AN IMPACT ON A CHILD'S LIFE

AN HOUR 1X A WEEK

Perfect for busy schedules. You can pick a day of the week that works for you and meet on that same day, at the same time once a week during the school year. We are at 7 local schools.

ALL ACTIVITIES AT THE SCHOOL

Eat lunch with the child you are matched with and then do a fun activity together at the school. You can play board games, do arts & crafts, shoot hoops, and talk. Spending time together is what is important!

DURING THE SCHOOL YEAR

Our school-site program runs during the school year from approx. Sept-May. At the end of the year, there is the option to continue with the same Little the next school year or transfer to our community program!
