

# PRIDE RESOURCES

Pride month has ended, but at Big Brothers Big Sisters we are proud supporters of the LGBTQIA+ community year-round. Recently, our national office stated, "We stand in solidarity with the LGBTQIA+ community, promoting acceptance, understanding, and equality." We welcome individuals of all genders, sexualities, and identities and celebrate the diversity each person brings to our organization.

In honor of our commitment to serving the LGBTQIA+ community, here is a list of local and national resources, as well as information and trainings on how to best support LGBTQIA+ youth as families and volunteers. Happy Pride from all of us here at BBBS!

Since 1983, The Community Center has provided a safe, supportive place for LGBTQIA+ individuals to gather and build community. The Community Center offers their space for a host of events, provides a food pantry and queer focused library for members of the community to use, and works with other local organizations to strengthen community connections and support.
